

PROSTHETICS

Lower Limb

- Post-op preparatory (temporary) and definitive (permanent) prostheses for below-knee (transtibial), above-knee (transfemoral), hip disarticulation, hemipelvectomy, and foot amputations.
- Lightweight carbon fiber and titanium components
- Total surface bearing and suction socket prostheses
- Flexible sockets
- Ischial containment socket designs (narrow M-L/CAT CAM)
- Hydraulic knee controls, in a variety of designs
- Microprocessor controlled systems
- Elevated vacuum suspension systems
- Energy-storing foot configurations
- Sports applications
- Conventional exoskeletal systems
- Endoskeletal soft foam coverings for cosmetic finish

Upper Limb

- Functional and cosmetic prostheses for below-elbow, above-elbow, shoulder disarticulation, and hand or finger amputations.
- Myoelectric hands with articulating digits and multiple grasp patterns
- Electronically-operated elbow units with anatomic options
- High definition hand, finger and higher level restorations
- Custom harness and cable configurations for heavy duty body-powered control
- Pattern recognition control
- Activity specific applications

WINKLEY

Since 1888, Winkley Orthotics & Prosthetics has earned a reputation for dependable, high quality orthotics & prosthetics. As a family-owned company, we take pride in providing the most advanced care possible. We strive to help patients achieve maximum mobility and independence by utilizing the most current technologies and advancements.

What sets us apart?

On-call Trauma Services
Immediate Prosthetic Post-OP Care
Prosthetic ACA Trained Peer Counseling
Halo Cervical Traction
Orthotic & Prosthetic In-Service Education
E-Stim/Neuro-augmented Orthoses
Tenodesis Splints
In-House Fabrication

ORTHOTICS & PEDORTHICS

Head

- Cranial remolding helmets
- Protective helmets

Neck/Spine

- Cervical Orthoses
- Cervical halo devices
- Foam and plastic cervical collars (Miami J, Aspen)
- Minervas/CTO
- S.O.M.I (Sterno-Occipital-Mandibular-Immobilizer)

ORTHOTICS & PEDORTHICS

Spinal Orthoses

Prefabricated back braces for moderate back support as well as custom-made braces to restrict unwanted movement, decrease pain, and prevent deformities.

- Sacroiliac supports
- Lumbosacral braces
- Chairback braces
- Thoracic-lumbar braces
- Hyperextension braces (Jewett, CASH)

Scoliosis and Spinal Fracture

Custom-made pelvic girdles and body jackets for treatment of scoliosis, post-operative spinal fusion and fracture treatment.

- One and two piece body jackets
- Custom scoliosis orthoses
- Cervical thoracic orthoses (CTO)
- Thoracic lumbar sacral orthoses (TLSO)
- Cervical thoracic lumbar sacral orthoses (CTLSO)

Upper Limb Orthoses

A wide range of devices to provide support, immobilization or function to any part of the upper limb.

- Tenodesis splints
- Hand splints
- Wrist splints
- Elbow supports
- Figure 8 clavicle brace
- ROM elbow orthoses

Fracture Bracing

Brace systems which allow for function after primary cast.

- Wrist
- Radius/Ulnar
- Humeral
- Femoral
- Tibial
- Ankle

Lower Limb Orthoses

Custom-made plastic and metal bracing systems to control undesirable or abnormal motion and permit more normal function.

- Ankle supports
- Leather gauntlets
- Dynamic carbon fiber AFOs
- Metal short and long leg braces
- Plastic ankle/foot orthoses (AFO's)
- Walking boots
- Plastic knee/ankle/foot orthoses (KAFO's)
- Hip flexion-abduction stabilizers

Knee Orthoses

A wide range of devices to provide protection and function.

- Elastic knee supports
- Hinged knee supports/braces
- Swedish knee cage
- Ligament braces (OTS & custom)
- Locking and hyperextension braces (OTS & custom)
- Osteoarthritis unloading braces (OTS & custom)
- ROM knee orthoses

Foot Orthoses

Custom-made inserts and shoe devices to assure proper position and comfort.

- Custom-made multi density foot orthotics
- Plastic foot orthotics
- Diabetic shoes and inserts
- UCBL
- Orthopedic extra-depth shoes
- Shoe modifications

ACCREDITATIONS & AFFILIATIONS

Licensed & Certified Prosthetists, Orthotists,
Pedorthists, Assistants and Technicians
